Shape the Future of Mount Pleasant Parks and Recreation Facilities

A Forward-Thinking Community

The Village of Mount Pleasant is planning for the future of four neighborhood parks: Dirkse Park, Drozd Park, James Turek Park, and Pheasant Creek Park. Community input is desired to develop master plans for each of these parks that will focus on improving existing features, and introducing new amenities and programs for people of all ages. We welcome you to attend the Open House to view the conceptual plans.
